About Us

SpeakEng Education is a Kodaikanal-based company that focuses on developing the art of skills and was established with an aim to enhance the language skills among the schools. Realizing the importance of the need for the communicative skills we render service for all the schools. We provide multiple courses that strengthen basic and advanced English skills. We concentrate more on speaking skills for these various methods and notes are adopted such as conversation, elocution debating, and interaction. We focus more on the enrichment of vocabulary that is used in the particular area in which they are involved. The enriched vocabulary will give the enriched skills in speaking.

Started in the year of 2016. Today SpeakEng Education has been the premier organization with vast experience in training the students on their communicative skills. Having received a magnificent response from many schools and colleges. SpeakEng Education has become an experienced and trusted training company in the field of training communicative skills and other recreational activities for the students. SpeakEng Education's main motto is to train the students to acquire proficiency and fluency in the most widely spoken language "ENGLISH". We have been functioning in Tamil Nadu, Odisha and Andhra almost 3,00,000 students have benefited under the guidance of Trainers of SpeakEng Education in the last 5 years. We create positive results such as self-confidence, leadership abilities, etc. Let us join together to build the future citizens as perfect as a clock.

Our Vission

- * To create an environment where students love to speak English
- * To cultivate the leaders of today and tomorrow
- * To deepen each student's understanding of the complexities of the world and to nurture each student to reach his or her potential.
- * To become one of the leading companies by setting standards of excellence in innovative curriculum design, teaching, professional development.

Our Mission

To become one of the admired brands in education sector and help the aspirants to make their dream come true through quality training technology enabled systems and commitment in the field of language training.

Recognitions

Incorporated with MCA and ISO registered. SpeakEng Education is the most preferred English language training and other skill - based training company by schools and colleges in India.

Why SpeakEng Education

Our program comes with the guarantee to improve students' Communication Skills in schools and colleges. We prepare with the most reliable materials. It contains latest material based on careful analysis of student responses that will help the children to learn faster and improve their chances of speaking ENGLISH. Our Weekly/Monthly events will surely boost the students to speak English fluently – "The Best Nest of Communicative English". May our joining hands help our children to SPEAK ENGLISH.
